

PRIVACY BOLT / THUMBTURN LOCK

ACTION: PRIVACY LATCH

RANGE: LATCHES

Tubular privacy latches, designed to work in conjunction with our thumbturn locks. A weighted throw ensures a consistent feel every time you unlock the door. Works great on all internal privacy doors (for example, bathrooms, bedrooms and offices). Latches come with strike plates and face plates machined in four solid metal finishes: steel, brass, gun metal and black.

SPECIFICATIONS

A tubular privacy latch, designed for use with our thumbturn lock sets. Designed for use with North American (centre distance 1.63" / 41.5mm*) specific thumbturn locks. Suitable for interior doors only. 0.2" x 0.2" (5mm x 5mm) square spindle supplied with B+P Thumbturn Lock sets)

INCLUDED

1 x tubular privacy latch 1 x face plate in matching finish 1 x strike plate in matching finish 1 x plastic dust box 6 x Woodscrews (2 spares) in matching finish

PLEASE NOTE

*This number indicates the centre to centre measurement for the through bolt holes that are used to fit the door lever handles to the door. 1.63" / 41.5mm is standard for North America and Canada. DISCLAIMER: Always consult a trade professional when installing these latches. Buster + Punch is not responsible for the usage or feasibility of installation requirements. This product is not suitable for damp or wet environments.

CARE INSTRUCTIONS

Wipe with damp cloth with no loose hairs, avoid using any chemicals. Please note all finishes are prone to aging.
