SOLID WOOD AND MARBLE CONSTRUCTION

These mixed media nesting tables feature tripod-shaped, iron frames beneath simple round tops, one made from solid Mango wood, the other from genuine marble.

LIGHT BROWN AND WHITE FINISH

The white marble top has creamy undertones with gray and beige veining throughout, while the wooden top features a soft, light brown finish.

*Marble is a natural material. Each piece has its own beautiful intricacies, and some may carry naturally occurring fissures. Please expect variations in color and texture.

NESTED VERSATILITY

These tables can be stacked or pulled into practical configurations to suit different needs. Nest them together as a bold accent piece, or use them individually to serve in different areas.

MODERN INSPIRED DESIGN

With a neutral aesthetic, the Larkin side tables have universal appeal that works well across design styles. They work especially well in modern interiors!
